

COMBINED ENGLISH COURSE - 23 LESSONS PER WEEK

This program offers the best of both worlds: the interaction and liveliness of group classes, and the personal attention of a private teacher. Students take the Standard English group course in the morning and 3 extra individual lessons in the afternoon, during which they will be able to focus on areas of weakness or discuss a topic of special interest. Their teacher will tailor the lessons to their own personal needs and interests.

This is a very popular course as it allows students to learn and progress faster with one-on-one attention from their assigned teacher. A needs analysis/interview is conducted prior to the course with the Academic Manager in order to identify the student's areas of weakness and to determine the student's overall goals of the lessons.

Topics covered during the 1-to-1s can include:

- Business
- Exam preparation
- Conversation
- Pronunciation
- Grammar
- Areas of interest (American culture, politics, current events....)
