

5-WEEK PART-TIME ENGLISH EVENING COURSE

This course format is ideal for busy students looking to study English in Brooklyn as it can be easily integrated into your work day. The course focuses on learning through real-life communication (speaking, listening, reading, writing) inside and outside of the classroom.

To adequately cover each level, we offer a series of 3 consecutive courses each consisting of 20 hours of instruction (4 clock hours per week). We recommend you need at least 120 – 180 hours of study to successfully move on to the next level. This represents a mix of guided study in class and self-study in the form of homework and other revision and practice.
