

INTENSIVE ENGLISH COURSE – 30 LESSONS PER WEEK

This course is for students looking for a more full-time program than the Standard English course. It includes 30 lessons (22.5 hours) each week.

The first 20 lessons take place in the morning and use a communicative method of teaching to increase the students' knowledge of general English by improving their reading, writing, speaking, and listening skills.

The 10 afternoon lessons take place in the afternoon and are divided up into eight-week sections focusing on a specific subject. These are academic skills-based and content-based electives, allowing our intensive students to progress at a quicker rate while improving their academic English skills.

Note: This course requires an F1 Student Visa, or proof of US Citizenship or Residency.
