

STANDARD ENGLISH LIVE ONLINE COURSE – 22 LESSONS PER WEEK

The Standard English Live Online Course is available to levels Elementary – Advanced and focuses on learning through real-life communication. This course is ideal for students who would like to improve all four language skills (speaking, listening, reading, and writing) from the comfort and convenience of their own home. Students will discuss a wide range of topics and build their grammar and vocabulary while engaging with their peers in an online classroom setting.

This program also includes the Conversational English Live Online Course – two additional classes per week (1 hour each) focusing on New York City themed topics. The primary focus of these classes is to improve fluency, pronunciation, and overall conversation skills while expanding students' vocabulary and knowledge of New York City related topics.

BSL uses [Zoom](#) to conduct all of our online lessons. Not only is Zoom extremely user-friendly, but it offers our teachers the tools they need to foster a truly communicative classroom environment including live annotation, break-off rooms, chat groups, class polls, and more. Other key advantages include HD video and exceptional audio clarity and quality. Zoom also allows for students to see and interact with each other in real time, giving our students a real classroom experience. Please note that students will need a camera and working audio on their laptop, PC, tablet, or cell phone to access this class. You can read more about Zoom [here](#).
