

'LIVE IN NEW YORK' CONVERSATION COURSE

Our Conversation Course has a **unique concept** – your teacher will be teaching you from NYC's most famous places like the Brooklyn Bridge, 5th Avenue, Central Park, Soho, Madison Square Park, Washington Square Park... So you can experience New York from your own home! The teacher will teach 2 of the 4 weekly hours from these famous spots.

This course is available to levels Intermediate – Advanced and focuses on improving students' fluency, pronunciation, vocabulary and overall conversation skills. Students will discuss a wide range of NYC-related topics (such as Art, Sports, Broadway, New York slang, Immigration, Current events, Culture...) while engaging with their peers in an online classroom setting, and discovering the city of New York through their screens.

BSL uses Zoom to conduct all of our online lessons. Not only is Zoom extremely user-friendly, but it offers our teachers the tools they need to foster a truly communicative classroom environment including live annotation, break-off rooms, chat groups, class polls, and more. Other key advantages include HD video and exceptional audio clarity and quality. Zoom also allows students to see and interact with each other in real time, giving them a real classroom experience.

The students will be tested before the start of the program and grouped together according to their English level. They will receive a Zoom link in order to join the session online. Please note that students will need a camera and working audio on their laptop, PC, tablet, or cell phone to access this class.
