

LIVE ONLINE STANDARD ENGLISH COURSE

The Live Online Standard English Course is available to levels Intermediate – Advanced and focuses on learning through real-life communication. It is ideal for students who would like to improve all four language skills (speaking, listening, reading, writing) from the comfort and convenience of their own home. Students will discuss a wide range of topics and build their grammar and vocabulary while engaging with their peers in an online classroom setting.

This program includes two conversation classes per week (1 hour each) with a **unique concept** – your teacher will be teaching you from NYC’s most famous places so you can experience New York from your own home! The teacher will teach 1 of the 2 conversation hours from famous spots each week: the Brooklyn Bridge, 5th Avenue, Central Park, Soho, Madison Square Park, Washington Square Park...

BSL uses Zoom to conduct all of our online lessons. Not only is Zoom extremely user-friendly, but it offers our teachers the tools they need to foster a truly communicative classroom environment including live annotation, break-off rooms, chat groups, class polls, and more. Other key advantages include HD video and exceptional audio clarity and quality. Zoom also allows students to see and interact with each other in real time, giving them a real classroom experience.

The students will be tested before the start of the program and grouped together according to their English level. They will receive a Zoom link in order to join the session online. Please note that students will need a camera and working audio on their laptop, PC, tablet, or cell phone to access this class.
