

BSL ENGLISH OUTDOORS (EO) LOUNGE

The BSL English Outdoor (EO) Lounge is located in Dumbo, just a few minutes' walk from the Brooklyn Bridge, Brooklyn Bridge Park and the beautiful neighborhood of Brooklyn Heights. All of BSL's afternoon lessons will take place at the EO Lounge (electives from the intensive course or private lessons).

Artsy, and full of old industrial and warehouse buildings that have been turned into spacious luxury residential lofts and retail spaces, Dumbo (short for **Down Under the Manhattan Bridge Overpass**) has become one of the most popular and coolest neighborhoods to live and work in New York. Not least because of its close proximity to Manhattan. It's just 1 stop on the subway!

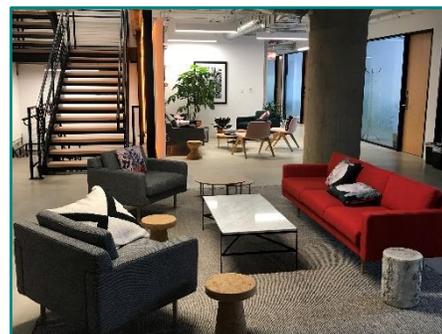

In recent years, the Dumbo waterfront has been completely re-developed into a great place to walk around, with restaurants, retail outlets, Jane's Carousel, St Ann's warehouse (now a great theater venue), and of course Brooklyn Bridge Park. Famous restaurants include the world-renowned Grimaldi's pizza, Dumbo's famous Juliana's pizza, Shake Shack, Gran Electrica, Cecconi's and the stylish River Cafe. There are also a number of great ice cream places in the neighborhood.

The EO Lounge is situated in a loft-style setting, in an 8-floored building. There are 3 subway stations within minutes of the Lounge, giving you access to the A, C, F, 2, and 3 lines. New York City Bus service is provided by the B25, B67 and B69. You can also hop on the East river ferry located at Brooklyn Bridge park, which is another great way to explore the city.

On arrival, please go to reception and ask for Brooklyn School of Languages.
